FOR IMMEDIATE RELEASE

North American Representative Office of Shenzhen, China and Sino-Consulting Inc. Form Strategic Alliance

Los Angeles, January 2, 2007 -- Pennsylvania-based Sino-Consulting, Inc. (SCI) and the North American Representative Office of Shenzhen, China (NAROS) have entered into a strategic alliance, whereby the two organizations have agreed to work closely together in matters pertaining to trade and investment in China. The two parties signed a memorandum of understanding outlining ways of working together and add value to each other's services. The signatories to the agreement are Dr. Timothy Weckesser, President and CEO of SCI, and Mr. Andrew Pan, Chief Representative of NAROS.

The cooperation agenda is outlined in four categories. These include information-sharing regarding direct investment leads, information-sharing regarding trade leads, cooperation and joint participation in events, and assistance and mutual promotion whereby the two parties agree to exchange website presence and assist each other with logistics and other matters pertaining to trade missions, and visiting delegations.

###

About NAROS

The North American Representative Office of Shenzhen, P. R. China (NAROS), is a U.S. based free service provider representing the City of Shenzhen, the first Special Economic Zone in China and the largest export city as well as the 4th largest economy among all China cities. Sponsored by the Municipal Government of Shenzhen and the Shenzhen Bureau of Trade and Industry (SZBTI), NAROS is to give support and services for North American companies to do business in Shenzhen and other parts of China on a no fee basis. As a cross-cultural business matchmaker and facilitator, NAROS aims at building the most well known channel for North American companies to do business in Shenzhen and the surrounding Pearl River Delta. For more information about NAROS, please visit www.shenzhenoffice.org.

About SCI

For 14 years, Sino-Consulting, Inc. (SCI) has been helping US companies achieve their business goals in China – ahead of plan. Our services comprise a systematic approach to the market, including market and competitive intelligence, strategy definition, establishing China operations (JVs, WFOEs and acquisitions), as well as direct sales representation and sourcing services. Headquartered near Philadelphia, SCI has three offices in China from Tianjin to Shenzhen, a staff of over ten engineers “on the ground”, as a well as government and business alliances throughout the country. For more information, please visit: www.s-c-i.com.
